Doctor Strange Vol. 1: Way of the Weird

By Jason Aaron Genre: Graphic Novel

Formats available: Print

Location: F MARVEL-OTHER GRAPHIC

I'm new to Strange, but this new series was FANTASTIC! Wonderful artwork, exciting story, good intro to Strange's world without being "too much" of a standard origin story (it assumes you know a little) and was a good kind of dark. A+! Immediately moved to Vol. 2
