

Allie's Pick

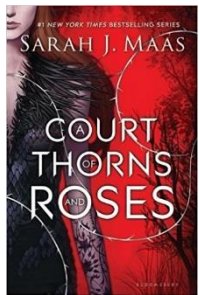

The Wishing Spell

By Chris Colfer Genre: Juvenile Fantasy

Formats available: Hardback, eBook, eAudiobook

Location: J COLFER, ADML/Overdrive

A fantastic story about a brother and sister, twins, who are pulled into the Land of Stories with all your favorite fairytale characters. So much fun to read!

Sharina's Pick

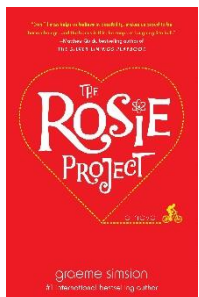

A Court of Thorns and Roses

By Sarah J. Maas Genre: YA High Fantasy

Formats available: Hardback, CD Book, eBook

Location: F MAAS YA, ADML/Overdrive, Axis 360

This book will tear your heart out, stomp on it, and leave you in a puddled mess of feelings, while keeping you on the edge of your seat.

Heidi's Pick

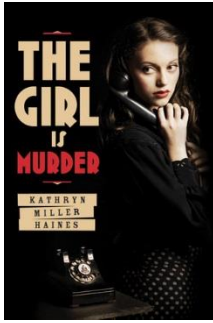

The Rosie Project

By Graeme Simsion Genre: Contemporary Fiction

Formats available: Hardback, Large Print, CD Book, eBook

Location: F SIMSION, ADML/ Overdrive, Axis 360

Delightful & Entertaining. Not your typical love story, but a great look into the challenges of love & life for those with Asperger's. You'll want Book 2!

Cheryl's Pick

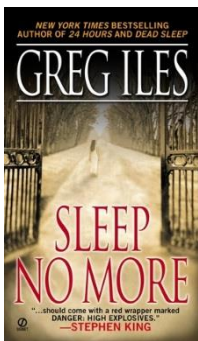

The Girl is Murdered

By Kathryn Miller Haines Genre: YA Mystery

Formats available: Playaway

Location: PLAY F HAINES YA

Fifteen year old Iris is a total mystery to her dad. Suddenly she has started lying about her whereabouts. What will happen at the Savoy? Will she find her missing classmate? Watch out; there's a new sleuth in town.

Lori's Pick

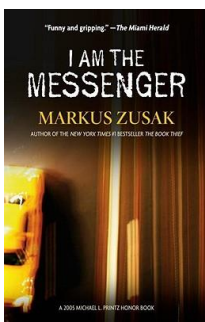

Sleep No More

By Greg Iles Genre: Thriller

Formats available: Paperback

Location: PBFIC ILES

One of the scariest thrillers I have ever read! I could not put it down. Eve Summer, a woman John Waters has just met, has a resemblance to a former love and knows facts about him no one should know. You will not be able to sleep after reading this.

Sara's Pick

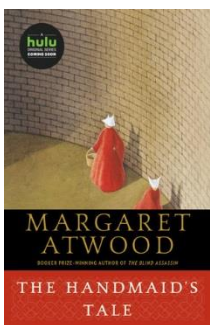

I am the Messenger

By Markus Zusak Genre: YA Mystery

Formats available: Hardback, CD Book, eBook, eAudiobook

Location: F ZUSAK YA, ADML/Overdrive, Axis 360

There is a reason this is on many must read lists! Ed, the cab driver, is sent on missions to save people who need saving. But who is sending him? Not always an easy read, but well-written.

Marla's Pick

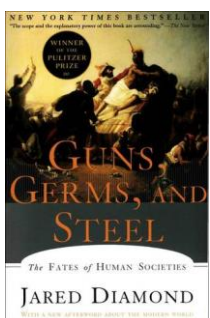

The Handmaid's Tale

By Margaret Atwood Genre: Dystopian Fiction

Formats available: Hardback, CD Book, eBook

Location: F ATWOOD, ADML/Overdrive, Axis 360

It sucked! Very well written. I had to finish it, I simply had to find out who the 'bad guy' was! Turns out, in the altered society, no one could be good, or bad, or good, or: It sucked but was good.

Will's Pick

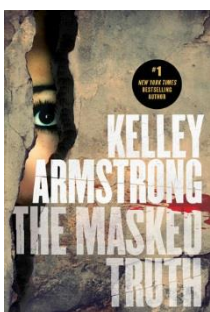

Guns, Germs, and Steel

By Jared Diamond Genre: Nonfiction

Formats available: Hardback, eAudiobook

Location: 303.4 DIA, Axis 360

A fascinating look at the various factors that shaped civilizations, Diamond artfully conveys an explanation for the state of our world today. The book is an approachable work that dispels racial explanations for disparities between cultures and focuses on the factors that gave different peoples a "head start..."

Robyn's Pick

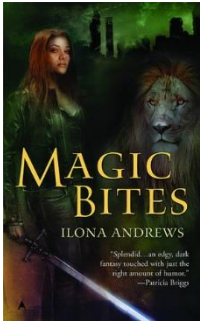

The Masked Truth

By Kelley Armstrong Genre: YA Thriller

Formats available: Hardback, eBook

Location: F ARMSTRONG YA, ADML/Overdrive, Axis 360

Riley is traumatized after witnessing two people murdered while babysitting. Now she has to fight for her life while gunmen storm a weekend therapy session, but also struggle to find out what is really happening.

Kimie's Pick

Magic Bites

By Ilona Andrews Genre: Urban Fantasy

Formats available: eBook

Location: ADML/Overdrive, Axis 360

Urban Fantasy is a rare pick for me, but I'm so glad I met Kate Daniels. Smart of mouth and fast of blade – she's my new hero.
