Room

By Emma Donoghue Genre: Fiction

Formats available: Print; eBook; eAudiobook

Location: ADML/Overdrive; Axis 360; See Information Desk to request print copy

I was worried that the subject matter of this book would be too dark, too graphic, but it's not. While it's nominally about a kidnapping, it really focuses on the interactions between the mom and her child, and how she copes with their situation (being held in a garden shed) while still providing a childhood and education for her young son. She finds innovative ways to teach him and to keep him entertained. It is unlike any other book I've ever read and quite a fascinating read.

Echoes in Death

By J. D. Robb Genre: Mystery; Romantic Suspense

Formats available: Hardback; Large Print; CD Book; Playaway; eBook

Location: F ROBB; ADML/Overdrive

Love me some Eve Dallas! Another serial killer – well it happens they are thick on the ground in 2061 New York. Even and Peabody wade through the bodies and find the man. Easy Peasy? Maybe not... Love it!
