Presumption of Guilt

By Archer Mayor Genre: Mystery

Formats available: Hardback, Largeprint, eBook

Location: F MAYOR, ADML/Overdrive

Mayor has written 27 novels featuring Detective/Vermont Bureau of Investigation Chief Joe Gunther - and I've read all 27. Excellent writing and a fine sense of Vermont (people and places) are intriguing. In this book, a body missing for 40 yrs. is found encased in cement. Are there mafia connections? Possibly... read to find out!
